The awarded contractor(s) shall not be liable for any excess costs if failure to perform is due to causes beyond the control and shall not be the fault of negligence of the contractor. Such causes include, but are not restricted to, acts of God, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the County can determine that the goods or services to be supplied by the subcontractor were obtainable from other sources in sufficient time to meet the required delivery schedule. The rights and remedies of the County provided in this paragraph shall not be exclusive and are in addition to other rights provided under applicable laws.
12. **Bidders Certification:** In submitting a bid, the bidder certifies that it has not directly or indirectly entered into actions that may restrict open and effective competition for items subject to this IFB by the County.
13. **Compliance with FCRA:** Bidders submitting bids shall be in compliance with the Federal Civil Rights Act of 1964 and Title VII of the Act (Rev.1979).
14. **Specifications:** The apparent silence of the specification as to any detail or apparent omission from them of detailed description concerning any point shall be regarded as meaning that only the best commercial practice is to prevail and only materials and workmanship of first quality are to be used.
15. **Rejection of Bids:** The County reserves the right to reject any and all bids in part or whole, to waive technicalities, make single or multiple awards without discussions with Bidders and to accept the offer it

deems to be in the best interest of Santa Fe County, giving due consideration to prices, quality of goods or services, distribution and delivery facilities available and time of delivery.

16. **Interpretation of Bid Specifications:** Technical expertise may be required to provide materials that will conform to all applicable federal, state and local standards and to function as indicated in the specifications. 18. **Communication:** Direct communication with the County, other than through the aforementioned individual, may result in the elimination of the bidder's offer from consideration.
19. **IFB Corrections:** Any and all interpretations and supplemental instructions will be in the form of written addenda to the IFB which, if issued, will be e-mailed, faxed or other means determined by the County as reasonable to expedite this process to all prospective firms prior to the date fixed for the receipt of bids. A new bid opening schedule may be set to allow for modification and resubmission of bids. Failure of any bidder to receive any such addenda or interpretations shall not relieve such bidder from any obligation under their bid as submitted. **All addenda so issued shall become part of the contract documents and shall be acknowledged by the bidder on the bid sheet hereto attached.**
20. **Brand Names and Model Numbers, if applicable:** Specifications in this IFB are not meant to be restrictive, but descriptive. Specifications contained herein reflect the minimum acceptable standards and are not intended to restrict competition. No substitute specifications may be included. Exceptions may be made only if required to match existing equipment, or conform to pre-existing conditions which preclude mismatch of sizes, styles or color. Substitutions which would require additional delivery time, expense or modifications of the original design may be rejected.
21. **Item Description(s), if applicable:** All items on all pages of the specification are representative of the desired sizes and dimensions and as such are intended as guides to bidders in the preparation of bids. Bids of equivalent items will be considered for award if (1) such items are clearly identified by manufacturer's name, brand, and model number, if any, in the offer; (2) descriptive literature or other such data is provided to show that the equivalent items are equal to the brand name; and (3) the County determines such items to be equal in all material respects to the salient specifications of the products required.
22. **Compatibility or Brand Name(s), if applicable:** Bidders shall clearly indicate that it is offering an "equal" product unless the bidder is offering the brand name product(s) referenced in the inquiry. Should any specified brands or models be listed incorrectly, discontinued or improved, the bidder shall note such

changes in its responses and include the pertinent details regarding the change. In the event the item has been discontinued, the bidder will be allowed to propose comparable goods or services along with the necessary supplemental documentation supporting their position.

23. **Evaluation and Determination of Product(s)**: The evaluation of bids and the determination as to equality of the product or service proposed shall be the responsibility of the County and will be based on information provided in the bid and/or information reasonably available to the County.
24. **Two or more identical bids**: If two or more identical low bids are received, the County will apply the process described at Section 13.1.110 NMSA 1978, of the State Procurement Code.
25. **Collusion**: No bidder shall submit more than one bid in response to this IFB. Collusion among bidders or the submission of more than one bid under different names by any firms or individual shall be cause for rejection of all bids in question without consideration.
26. **Protest Procedure**: Any bidder who is aggrieved in connection with procurement may protest to the County Procurement Manager as set forth in Board of County Commissioners Resolution No. 2006-60. A copy of Resolution No. 2006-60 is available upon request.
27. **Consideration of Bids**: Bids received on time will be opened publicly and will be read aloud, and an abstract of the amounts of the Base Bids and Alternates or Bid Items, if any, will be made available to the bidders. Each bid shall be open to public inspection under the Public Records Act.
28. **Bid Security**: Bid Security in the amount of ***one thousand dollars (\$1,000.00)*** shall accompany the bid. Security may be in the form of a certified check or bank cashier's check made payable to Santa Fe County or a bid bond issued by a surety licensed to conduct business in the State of New Mexico, or other surety in form satisfactory to the County. The Bid Security of the successful bidder will be retained until the bidder has executed the Agreement, whereupon the bid security will be returned. If the bidder fails to execute and deliver the Agreement within ten (10) days of Notice of Award, the County may cancel the Notice of Award and the Bid Security of that bidder will be forfeited. **The Bid Security of any bidder whom the County believes to have a reasonable chance of receiving the award may be retained by the County until either the seventh day after the executed Agreement is delivered by the County to the Contractor and the required Contract Security is furnished, or the sixty-first day after the bid opening, whichever is earlier. Bid security of other bidders will be returned within thirty (30) days of the bid opening.**

Bid Security in the form of checks, except the Bid Security of the two lowest bidders, will be returned immediately following the opening and checking of the bids. The retained Bid Security of the unsuccessful of the two lowest bidders, if in the form of a check, will be returned within fifteen (15) days following the award of contract. The retained Bid Security of the successful bidder, if in the form of a check, will be returned after a satisfactory contract bond has been furnished and the contract has been executed. Bid Securities in the form of Bid Bonds will be returned only upon the request of the unsuccessful bidder, but will be released by the County Purchasing Agent after the Notice to Award is sent by the County.

29. **Insurance Requirements:** At a minimum upon execution of the Agreement between the County and the contractor, the contractor shall furnish to the County, Certificates of Insurance naming Santa Fe County as an additional insured on the insurance coverage set forth in the terms and conditions of the Service Agreement.

32. **Living Wage:** Contractor shall comply with the requirements of the Santa Fe County Ordinance 2014-1 (Establishing a Living Wage).
33. **Preferences in Procurement:**

A. New Mexico In-state Preference.

New Mexico law, Section 13-1-21 et seq., NMSA 1978, provides a preference in the award of a public works contract for an “**in-state resident business**”. Application of a resident business preference requires the bidder to provide a copy of a valid and current certification as a resident business. Certificates are issued by the State Taxation and Revenue Department.

If a bidder submits with its bid a copy of a valid and current in-state resident business certificate, the bidder’s bid will be deemed to be 5% lower than the bid actually submitted.

Certification by the Department of Taxation and Revenue takes into consideration such activities as the business’ payment of property taxes or rent in the state, and payment of unemployment insurance on employees who are residents of the state.

OR

B. New Mexico Resident Veteran Preference.

New Mexico law, Section 13-1-22 NMSA 1978, provides a preference in the award of a public works contract for a “**resident veteran business**”. Certification by the Department of Taxation and Revenue for the resident veteran business requires the bidder to provide evidence of annual revenue and other evidence of veteran status.

A bidder who wants the veteran business preference to be applied to its bid is required to submit with its bid the certification from the Department of Taxation and Revenue and the sworn affidavit attached hereto as Appendix C.

If a bidder submits with its bid a copy of a valid and current veteran resident business certificate, the bidder's bid will be deemed to be 10% lower than the bid actually received, depending on the business' annual revenue.

The resident business preference is not cumulative with the resident veteran business preference.

The in-state, veteran or County preferences do not apply to procurement of services or goods involving federal funds or federal grant funds.

Additional information about obtaining the certificate as a resident contractor and resident veteran contractor may be found at: <http://www.tax.newmexico.gov/Businesses/Pages/In-StatePreferenceCertification.aspx>
