1. Page 4 Section "General" of the Maintenance/Support Agreement 2504 is hereby amended by deleting paragraph 2 in its entirety including any reference to "reinstatement charges."
2. Page 4 Section "General" of the Maintenance/Support Agreement 2504 is amended by inserting the following as Sections 8 through 26:

8. Effective date and Term

This Agreement shall become effective upon due execution by all parties and shall terminate on June 30, 2019, unless earlier terminated pursuant to Section 10 (Termination) or Section 16 (Appropriations and Authorizations). There shall be no pre-payment of services. Services shall be paid in accordance with Section 9 (Compensation, Invoicing and Set-Off) during the term of the Agreement.

9. Compensation and Invoicing

- A. In consideration of its obligations under this Agreement, the Contractor shall be compensated as follows. The County shall pay in full to the Contractor a fee for maintenance and support of the 11 items of equipment listed on Attachment A, attached hereto and incorporated herein by reference.
- B. In no event shall the total compensation paid to the Contractor by the County under this Agreement exceed \$23,189.26 exclusive of gross receipts tax. Within 15 days of County's receipt of the written request, County shall issue a written certification of complete or partial acceptance or rejection of the contractual items or services for which payment is sought. Contractor acknowledges and agrees that County may not make any payment hereunder unless and until it has issued a written certification accepting the contractual items or services. Within 30 days of the issuance of a written certification accepting the contractual items or services, County shall tender payment for the accepted items or services. In the event County fails to tender payment within 30 days of the written certification County shall pay late payment charges of one and one-half (1.5%) per month, until the amount due is paid in full.
- C. In the event Contractor breaches this Agreement, County may, without penalty, withhold any payments due Contractor for the purpose of set-off until such time as County determines the exact amount of damages it suffered as a result of the breach.
- D. Payment under this Agreement shall not foreclose the right of County to recover excessive or illegal payment.

10. Termination

A. Termination of Agreement for Cause. Either party may terminate the Agreement based upon any material breach of this Agreement by the other party. The non-breaching party shall give the breaching party written notice of termination specifying the grounds for the termination. The termination shall be effective 30 days from the breaching party's receipt of the notice of termination, during which time the breaching party shall have the right to cure the breach. If, however, the breach cannot with due diligence be cured within 30 days, the breaching party shall have a reasonable time to cure the breach, provided that, within 30 days of its receipt of the written notice of termination, the breaching party began to cure the breach and advised the non-breaching party in writing that it intended to cure.

B. Termination for Convenience of the County. The County may, in its discretion, terminate this Agreement at any time for any reason by giving Contractor written notice of termination. The notice shall specify the effective date of termination, which shall be not less than 15 days from the Contractor's receipt of the notice. County shall pay Contractor for acceptable work, determined in accordance with the

specification and standards set forth in this Agreement, performed before the effective date of termination but shall not be liable for any work performed after the effective date of termination.
