## **RECITALS**

**WHEREAS**, the County needs the services of a professional licensed engineer to provide a structural evaluation, report and rehabilitation plans for the Avenida Vista Grande Bridge, No. 9695; and

**WHEREAS**, in accordance with Section 13-1-125 NMSA 1978 and the Santa Fe County Purchasing Regulations and Policy Manual, the County issued Letter of Interest (LOI) No.2016-0345-PW/KE; and

**WHEREAS**, based upon the evaluation criteria established within the letter of interest for the purposes of selecting the most qualified offeror, the County has determined the Engineer as the most responsive and highly rated offeror; and

**WHEREAS**, the County requires the services of the Engineer, and the Engineer is willing to provide these services and both parties wish to enter into this Agreement.

**NOW THEREFORE**, in consideration of the premises and mutual obligations herein in Parts A and Part B of this Agreement, the parties hereto do mutually agree as follows:

### **1. PROJECT DESCRIPTION**

Civil engineering services to inspect the bridge on Avenida Vista Grande within the Eldorado Subdivision off of US 285.

### **2. SCOPE OF WORK**

Provide civil engineering services including, but not limited to; structural evaluation and report and if necessary a bridge rehabilitation plan, engineering plans, specifications, probable construction costs and attend and document all review meetings with the County.

### **3. COMPENSATION, INVOICING, AND SET-OFF**

A. In consideration of its obligations under this Agreement the Engineer shall be compensated as follows:

- 1) County shall pay to the Engineer in full payment for services satisfactorily performed and all costs and expenses shall be in accordance with Exhibit A (Compensation and Schedule) and Louis Berger revised Cost Proposal dated August 18, 2016.
- 2) The total amount payable to the Engineer under this Agreement, exclusive of gross receipts tax shall not exceed Fifteen Thousand Nine Hundred Seventy Two Dollars and Ten Cents, (\$15,972.10). Any New Mexico gross receipts tax levied on the amounts payable under this Agreement shall be paid by the County to the Engineer.

- 3) This amount is a maximum and not a guarantee that the work assigned to be performed by Engineer under this Agreement shall equal the amount stated herein. The parties do not intend for the Engineer to continue to provide services without compensation when the total compensation amount is reached. The County will notify the Engineer when the services provided under this Agreement reach the total compensation amount. In no event will the Engineer be paid for services provided in excess of the total compensation amount without this Agreement being amended.
- B. The Engineer shall submit a written request for payment, on the form attached hereto as Exhibit B (Pay Request Form), when payment is due under this Agreement. Upon the County's receipt of the written request, the County shall issue a written certification of complete or partial acceptance or rejection of the contractual items or services for which payment is sought. The Engineer acknowledges and agrees that the County may not make any payment hereunder unless and until the County has issued a written certification accepting the contractual items or services. Within 30 days of the issuance of a written certification accepting the contractual items or services, the County shall tender payment for the accepted items or services. In the event the County fails to tender payment within 30 days of the written certification accepting the items or services, the County shall pay late payment charges of one and one-half percent (1.5%) per month, until the amount due is paid in full.
- C. In the event the Engineer breaches this Agreement, the County may, without penalty, withhold any payments due the Engineer for the purpose of set-off until such time as the County determines the exact amount of damages it suffered as a result of the breach.
- D. Payment under the Agreement shall not foreclose the right of the County to recover excessive or illegal payment.

#### **4. ENGINEER'S BASIC SERVICES**

The Engineer shall provide the following Basic Services:

- A. Study and Report Phase.
  - 1) The Engineer shall consult with the County to define and clarify the requirements for the Project.
  - 2) Advise the County of any need for the County to provide additional data or services which are not a part of the Engineer's Basic Services.

- 3) Identify and analyze requirements of governmental agencies having jurisdiction to approve the portions of the Project designed or specified by the Engineer.
- 4) Prepare draft Study and Report and brief and obtain the written approval of the County for the draft Study and Report, before commencing work on the Preliminary Design, Study and Report Phase.

#### B. Preliminary Design, Study and Report Phase

- 1) Convene a meeting with the County and other interested parties to review the Project site. Advise County if additional data, reports, or services are necessary and assist County in obtaining such data, reports, or services.
- 2) Develop and complete a Development Plan for the area in schematic form for review with County. The plans shall allow for phased construction if necessary.
- 3) Upon approval of the schematic Development Plan documents by the County, the Engineer will develop and complete preliminary Design Plans and a construction cost estimate within 30 days of authorization to proceed and review with the County. If necessary, revise Preliminary Design Phase documents in response to the County's comments.
- 4) From the approved Scope of Work the Engineer as applicable shall produce a study consisting of drawings and other documents necessary to illustrate the general planning concepts, probable Engineering system, types of materials needed and preliminary alternatives, a breakdown of the budget on current area, volume, or other unit costs, and the approximate dimensions of the project area. The Engineer shall brief and obtain the written approval of the County for the Preliminary Design, Study and Report Phase drawings and documents.
- 5) The Engineer shall obtain written approval from the County for the proposed Preliminary Design as modified by any comment during review before commencing work on the Final Design Phase.

#### C. Final Design Phase

Upon approval of Preliminary Design Phase documents by the County, the Engineer shall:

- 1) Prepare Final Design Plans, documents, project specifications, and develop a construction cost estimate.

- 2) Prepare a statement that identifies the need for additional data, surveys, or tests.
  - 3) Submit to the County for review of written approval a statement of Probable Construction Cost at the completion of the Final Design Phase. Should the Engineer conclude at any time that the budget and Scope of Work to accomplished are incompatible; the County shall be notified immediately in writing with proposed recommendations to reconcile the incompatibility.
  - 4) Convene a meeting with the County and other interested parties to review the Final Design Plans, Project Specifications and Cost Estimate. If necessary revise such final Design Phase documents, Project Specifications, and Cost Estimate.
  - 5) Upon approval of final Design Phase documents by the County, prepare and deliver Design Phase document, Project Specifications and Cost Estimate.
  - 6) Deliver signed/sealed construction drawings and bid documents for submittal for permits.
  - 7) Assist the County at all regulatory review meetings, present design, respond to review questions, revise plans if necessary to obtain approvals.
  - 8) Provide County with three full size and three half size sets of the 100% construction plan, electronic copy of the Project specifications and cost estimate. Auto CAD and PDF copies of the construction drawings shall be provided to the County upon request.
- D. Attached as Exhibit C and incorporated into this Agreement is the Amendment for Engineering Basic Services form.

## 5. REIMBURSABLES

- A. Reimbursable expenses are those beyond Basic Services compensation and are the actual expenditures made by the Engineer or its employees, in the interest of the Project. Reimbursable expenses are in accordance with the agreed upon compensation as identified in Exhibit A (Compensation and Schedule).
- B. Reimbursable expenses, if allowed by this Agreement, shall be compensated at direct cost not to exceed the reimbursable amounts as indicated in Exhibit A of this Agreement, unless otherwise modified by written amendment.

## 6. ADDITIONAL SERVICES

- A. Additional Services are services that are in addition to but not included as part of Basic Services, provided that the Engineer is not obligated to perform or furnish such services as part of the Engineer's Basic Services. These Additional Services shall be provided when authorized in advanced in writing by the County, and shall be paid for by the County as provided in paragraph 3 and Exhibit A. Attached as Exhibit D and incorporated into this Agreement is the Amendment for Engineering Additional Services form.
- B. Additional Services may include but are not limited to the following.
- 1) Subservice geotechnical investigation with associated laboratory testing to include soil borings to determine subsurface profiles, relative strengths, compressibility and other characteristics of the surface layer(s).
  - 2) Survey services for mapping, construction layout and/or to determine Project and surrounding area boundaries.
  - 3) Traffic study that may include volume, movement counts, accident crash data, pedestrian traffic, and parking, sidewalk and walk/bike trail considerations.
  - 4) Drainage Plan to determine the amount of runoff/drainage impacting the Project area and make recommendations accordingly.
  - 5) Storm water management to provide viable flood control, runoff and drainage conveyance options and recommendations for surface treatment plan(s).
  - 6) Environmental Review and as applicable Cultural Resource Study, to include preparation of documentation regarding the mandatory evaluation of physical, social, and economic impacts of the proposed Project area to ensure compliance with environmental laws and authorities and as required obtain environmental clearance(s) from governmental agencies.
  - 7) Feasibility Study to evaluate and analyze the potential of the proposed Project to support recommendations for project implementation.
  - 8) Market analysis to determine, develop and recommend conceptual options for future use of the Project site.

ADMINISTRATIVE SERVICES  
DEPARTMENT  
PURCHASING DIVISION**

**GENERAL TERMS AND CONDITIONS OF THE  
AGREEMENT BETWEEN  
SANTA FE COUNTY and LOUIS  
BERGER GROUP, INC. FOR  
PROFESSIONAL SERVICES**

2013 Edition, Version 1.0, Part B of the  
Agreement

Changes, additions, deletions and/or any modifications other than those agreed upon execution of this contract, without the written consent of Santa Fe County shall render this document null and void.

**1. SCOPE OF WORK**

Engineer shall provide the services set forth in Part A Section 2 (Scope of Work) of this Agreement and as provided in Exhibit A.

**2. EFFECTIVE DATE AND TERM**

This Agreement shall, upon due execution by all parties, become effective as of the date first written in Part A. The term of this agreement is for one year or through Project completion, whichever comes first, unless earlier terminated pursuant to Section 4 (Termination) or Section 5 (Appropriations and Authorizations) of these General Terms and Conditions. The County has the option to extend the term in one year increments not to exceed a total of four years.

### 3. ADDITIONAL SERVICES

- A. The parties agree that all tasks set forth in Section 1 (Scope of Work) above and Section 4 (Engineer's Basic Services) of Part A of the Agreement, shall be completed in full, to the satisfaction of the County, for the amount set forth in Section 3 (Compensation, Invoicing, and Set-Off) of Part A of this Agreement, and for no other cost, amount, fee, or expense.
- B. The County may from time-to-time request changes in the Scope of Work to be performed hereunder. Such changes, including any increase or decrease in the amount of the Contractor's compensation, which are mutually agreed upon by and between the County and the Engineer, shall be incorporated in written amendments to this Agreement.

### 4. TERMINATION

- A. Termination of Agreement for Cause. Either party may terminate the Agreement based upon any material breach of this Agreement by the other party. The non-breaching party shall give the breaching party written notice of termination specifying the grounds for the termination. The termination shall be effective 30 days from the breaching party's receipt of the notice of termination, during which time the breaching party shall have the right to cure the breach. If, however, the breach cannot with due diligence be cured within 30 days, the breaching party shall have a reasonable time to cure the breach, provided that, within 30 days of its receipt of the written notice of termination, the breaching party began to cure the breach and advised then non-breaching party in writing that it intended to cure.
- B. Termination for Convenience of the County. The County may, in its discretion, terminate this Agreement at any time for any reason by giving the Engineer written notice of termination. The notice shall specify the effective date of termination, which shall not be less than 15 days from the Engineer's receipt of the notice. The County shall pay the Engineer for acceptable work, determined in accordance with the specifications and standards set forth in this Agreement, performed before the effective date of termination but shall not be liable for any work or service performed after the effective date of termination.

### 5. APPROPRIATIONS AND AUTHORIZATIONS

This Agreement is contingent upon sufficient appropriations and authorizations being made for performance of this Agreement by the Santa Fe Board of County Commissioners and/or, if state funds are involved, the Legislature of the State of New Mexico. If sufficient appropriations and authorizations are not made in this or future fiscal years, this Agreement shall terminate upon written notice by the County to the Engineer. Such termination shall be without penalty to the County, and the County shall have no duty to reimburse the Engineer for expenditures made in the performance of this Agreement. The County is expressly not committed to expenditure of any funds until such time as they are programmed, budgeted,

encumbered, and approved for expenditure by the County. The County's decision as to whether sufficient appropriations and authorizations have been made for the fulfillment of this Agreement shall be final and not subject to challenge by the Engineer in any way or forum, including a lawsuit.

## **6. INDEPENDENT CONTRACTOR, SUBCONTRACTING AND PERSONNEL**

- A. Independent Contractor. The Engineer and its agents and employees are independent contractors and are not employees or agents of the County. Accordingly, the Engineer and its agents and employees shall not accrue leave, participate in retirement plans, insurance plans, or liability bonding, use County vehicles, or participate in any other benefits afforded to employees of the County. Except as may be expressly authorized elsewhere in this Agreement, the Engineer has no authority to bind, represent, or otherwise act on behalf of the County and agrees not to purport to do so.
- B. Subcontracting. The Engineer shall not subcontract or delegate any portion of the services to be performed under this Agreement without the advance written approval of the County. Any attempted subcontracting or delegating without the County's advance written approval shall be null and void and without any legal effect.
- C. Personnel.
  - 1) All work performed under this Agreement shall be performed by the Engineer or under its supervision.
  - 2) The Engineer represents that it has, or will secure at its own expense, all personnel required to discharge its obligations under this Agreement. Such personnel (i) shall not be employees of or have any contractual relationships with the County and (ii) shall be fully qualified and licensed or otherwise authorized or permitted under federal, state, and local law to perform such work.

## **7. ASSIGNMENT**

The Engineer shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the advance written approval of the County. Any attempted assignment or transfer without County's advance written approval shall be null and void and without any legal effect.

## **8. RELEASE**

Upon its receipt of all payments due under this Agreement, Engineer releases County, its Elected Officials, officers, agents and employees from all liabilities, claims, and obligations whatsoever arising from or under or relating to this Agreement.

## **9. CONFIDENTIALITY**

Any confidential information provided to or developed by the Engineer in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Engineer without prior approval from the County.

## **10. PUBLICATION, REPRODUCTION, AND USE OF MATERIAL; COPYRIGHT**

County has the unrestricted right to publish, disclose, distribute and otherwise use, in whole or in part, any reports, data, or other material prepared under or pursuant to this Agreement. To the extent any material is copyrightable, the County shall own such copy right.

## **11. CONFLICT OF INTEREST**

Engineer represents that it has no and shall not require any interest, direct or indirect, that would conflict in any manner or degree with the performance of its obligations under the Agreement.

## **12. NO ORAL MODIFICATIONS; WRITTEN AMENDMENTS REQUIRED**

The Agreement may not be modified, altered, changed, or amended orally but, rather, only by an instrument in writing executed by the parties hereto. Engineer specifically acknowledges and agrees that County shall not be responsible for any changes to Section 1 (Scope of Work), Part A of the Agreement unless such changes are set forth in a duly executed written amendment to the Agreement.

## **13. ENTIRE AGREEMENT; INTEGRATION**

The Agreement incorporates all the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof, and all such agreements, covenants and understandings have been merged into the written Agreement. No prior or contemporaneous agreement, covenant or understandings verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in the Agreement.

## **14. EXHIBITS AND ATTACHMENTS: INCORPORATION BY REFERENCE**

All exhibits, attachments, riders, and addenda referred to in the Agreement, including but not limited to the Exhibits referred to in this Agreement, as listed in Paragraph 7 (Exhibits List) in Part A of this Agreement, are hereby incorporated into this Agreement by reference and made a part hereof as though set forth in full in this Agreement to the extent they are consistent with its conditions and terms.

## **15. NOTICE OF PENALTIES**

The Procurement Code, Section 13-1-28 through 13-1-199 NMSA 1978 imposes civil and criminal penalties for its violation. In addition, New Mexico criminal statutes impose felony penalties for bribes, gratuities, and kickbacks.

## **16. EQUAL EMPLOYMENT OPPORTUNITY COMPLIANCE**

- A. Engineer agrees to abide by all Federal, State, and local laws, ordinances, and rules and regulations pertaining to equal opportunity and unlawful discrimination. Without in any way limiting the foregoing general obligation, Engineer specifically agrees not to discriminate against any person with regard to employment with Engineer or participation in any program or activity offered pursuant to this Agreement on the grounds of race, age, religion, color, national origin, ancestry, sex, physical or mental handicap, serious medical condition, spousal affiliation, sexual orientation, or gender identity.
- B. Engineer acknowledges and agrees that failure to comply with this Section shall constitute a material breach of the Agreement.

## **17. COMPLIANCE WITH APPLICABLE LAW; CHOICE OF LAW**

- A. In performing its obligations hereunder, Engineer shall comply with all applicable laws, ordinances, and regulations.
- B. This Agreement shall be construed in accordance with the substantive laws of the State of New Mexico, without regard to its choice of law rules.

## **18. RECORDS AND INSPECTIONS**

- A. To the extent their books and records relate to (i) their performance of the Agreement or any subcontract entered into pursuant to it or (ii) cost or pricing data (if any) set forth in the Agreement or that was required to be submitted to County as part of the procurement process, Engineer agrees to (i) maintain such books and records during the term of the Agreement for a period of six (6) years from the date of final payment under the Agreement; (ii) allow County or its designee to audit such books and records at reasonable times and upon reasonable notice; and (iii) to keep such books and records in accordance with generally accepted accounting principles ("GAAP").
- B. To the extent their books and records relate to (i) their performance of the Agreement or any subcontract entered into pursuant to it or (ii) cost or pricing data (if any) set forth in the Agreement or that was required to be submitted to County as part of the procurement process, Engineer also agrees to require any subcontractor it may hire to perform its obligations under this Agreement to (i) maintain such books and records during the term of the Agreement and for a period of six (6) years

from the date of final payment under the subcontract:(ii) to allow county or its designee to audit such books and records at reasonable times and upon reasonable notice; and (iii) to keep such books and records in with GAAP.

## 19. INDEMNIFICATION

- A. Engineer shall defend, indemnify, and hold harmless County and its Elected Officials, agents, and employees from any losses, liabilities, damages, demands, suits causes of action, judgments, costs or expenses (including but not limited to court costs and attorneys' fees), directly or indirectly arising out of Engineer's negligent acts or omissions in performing its obligations under this Agreement, including but not limited to Engineer's breach of any representation or warranty made herein.
- B. County shall have the right to approve any counsel retained by Engineer to defend any demand, suit, or cause of action in which County is named, such approval not to be unreasonably withheld. Engineer agrees (i) that County shall have the right to control and participate in the defense of any such demand, suit, or cause of action concerning matters that relate to the County and (ii) that such suit will not be settled without County's consent, such consent not to be unreasonably withheld. If in County's judgment, a conflict exists between the interests of County and Engineer such demand, suit, or cause of action, County may retain its own counsel, whose fees shall be paid by Engineer.
- C. Engineer's obligations under this section shall not be limited by the provisions of any insurance policy Engineer is required to maintain under this Agreement.

## 20. SEVERABILITY

If any term or condition of the Agreement shall be held invalid or non-enforceable by any court of competent jurisdiction, the remainder of the Agreement shall not be affected and shall be valid and enforceable to the fullest extent of the law.

## 21. NOTICES

Any notice required to be given to either party by the Agreement shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

To the County:                      Santa Fe County
