The audit report shall include a schedule of administrative and program expenses for each separate title or program (Title IIIB, Title IIIC-I, Title IIIC-II, Title IIID, Title IIIE, etc.), which facilitates a reconciliation of these audited costs to the final report. The Agency further requires the inclusion of the final units of services provided and final number of persons served by this agreement. This information may be included within the supplementary section of the audit report.

balances, general ledgers, etc.), monitoring efforts and final numbers of services provided and final number of individuals served.

5. Submittal of the audit report for government entities shall be within ten (10) working days after release by the New Mexico State Auditor's Office. For non-governmental entities, the audit report is due four (4) months after the end of the entity's fiscal year.

This Agreement may be terminated immediately, upon written notice to the Vendor, if the Vendor becomes unable to perform the services contracted for, as determined by the Agency, or if, during the term of this Agreement, the Vendor or any of its officers, employees or agents is indicted for fraud, embezzlement or other crime due to misuse of state funds or due to the Appropriations paragraph herein, or if the Vendor fails to comply with any of the terms contained herein or is in breach of this Agreement as set forth in Paragraph 6, below. This provision is not exclusive and does not waive the Agency's other legal rights and remedies caused by the Vendor's default or breach of this Agreement. This Agreement may also be terminated by the Vendor upon thirty (30) days written notice to the Agency.

B. Termination Management. Immediately upon receipt of notice of termination of this Agreement by either the Agency or the Vendor, the Vendor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the Agency; 2) comply with all directives issued by the Agency in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the Agency shall direct for the protection, preservation, retention or transfer of all property titled to the Agency and client records generated under this Agreement and any non-expendable personal property or equipment purchased by the Vendor with contract funds shall become property of the Agency upon termination. If such cure is not timely made, then the Agency may elect to implement one or more of the following intermediate sanctions:

Unless otherwise deemed confidential under applicable law, such monitor shall have authority to review any or all of the Vendor's records, policies, procedures, and financial records germane to the Vendor's delivery of the services contemplated by this Agreement. Such monitor may also serve as a consultant to the Vendor to advise in the correction of the determined deficiencies. All costs associated with the Agency's selection and installation of such monitor shall be paid from the state and federal funds paid to the Vendor hereunder.
2. The Agency may appoint a temporary manager who shall have primary responsibility to oversee the operation of the Vendor's services contemplated by this Agreement. ## NOTIFICATION OF GRANT AWARD

REMARKS: In addition to the conditions contained in the agreement on the application form, the conditions below apply to this grant:

- ☒ 1. Unless revised, the amount of lines 6 and 7 (Computation of Grant) will constitute a ceiling for federal and/or state participation in the approved cost.
- ☒ 2. The federal and/or state share of the project cost is earned only when the cost is accrued and the non-federal and/or non-state share of the cost has been contributed. Receipt of federal and/or state funds (either through advance or reimbursement) does not constitute earning of these funds.
- ☒ 3. If the actual net cost is less than the amount on line 3 (Computation of Grant) the non-federal and/or non-state share, the federal share and the state share will meet the percentages indicated on Page 1 of the NGA.
- ☒ 4. As shown in the Computation of Grant (assuming satisfactory progress, adequate justification and the availability of funds), the federal and state shares shall meet the amounts shown on lines 6 and 7 of the estimated net project cost shown on line 3.
- ☒ 5. Funds herein awarded will remain available during the length of the project period; however, state and/or federal funds are dependent upon availability.
- ☒ 6. Programs must meet the units of services projected to be reimbursed or submit an amended plan detailing reasons why approved units are not being met which must be approved by the NCNMEDD Area Agency on Aging.

**THE GRANTEE ORGANIZATION IS RESPONSIBLE FOR RETAINING RECORDS OF ALL FEDERAL AND/OR STATE ACCOUNTS AS FOLLOWS:**

Such records shall be retained in accordance with the following:

- 1. Keep adequate and complete financial records, and to report promptly and fully to the Area Agency.
- 2. If a federal and/or state audit has not been made within three (3) years after project termination, project records may then be destroyed, on approval of the Agency.
- 3. In all cases, an over-riding requirement exists to retain records until resolution of any audit questions relating to individual grants.
- 4. Non-federal resources must be contributed equally to the percentage of the non-federal share of actual net costs for a project year. If a Grantee reports federal and/or state cash received but unearned on the final project report for a project year, the Grantee then owes the Area Agency this amount. This amount may constitute a cash advance on any funds awarded to the Grantee by the Area Agency for the following project year.
- 5. The disposition of unearned portions of federal and/or state funds at the end of the project year shall be made in accordance with current state policies.
- 6. Unearned federal and/or state cash at the time the project is terminated shall be returned in full to the Area Agency.
- 7. All obligations will be liquidated within 30 days after the end of the project year and before final program and financial reports are submitted.
- 8. Inventory of project equipment will be maintained and submitted as requested.
- 9. Project records will be preserved and kept available to federal and state auditors at the primary offices of the Grantee.
