

**PROFESSIONAL SERVICE AGREEMENT
BETWEEN SANTA FE COUNTY AND
ERIC WITT
FOR DEVELOPMENT OF THE SANTA FE REGIONAL FILM OFFICE**

THIS AGREEMENT is made and entered into this 29th day of April 2016, by and between **SANTA FE COUNTY**, hereinafter referred to as the "County," and **ERIC WITT**, whose principal address is 3001 Pueblo Grande, Santa Fe, New Mexico, hereinafter referred to as the "Contractor."

WHEREAS, the film and media industries contribute tens of millions of dollars a year annually to the local and regional economy; and

WHEREAS, local governments benefit significantly through job creation, direct collection of gross receipts taxes, leases, permitting and other fees, as well as through global exposure of the region for tourism, business recruitment and other activities; and

WHEREAS, New Mexico as a state, and the north-central region specifically, has established itself as a premier production location for film and television production; and

WHEREAS, resources exist in the region to significantly expand both traditional film/television production, and digital media technologies for both entertainment and non-entertainment applications, posing an attractive opportunity for business retention, recruitment and expansion; and

WHEREAS, no centralized, dedicated servicing entity currently exists at the County/City level to handle incoming productions or business queries, resulting in confusion and the potential delivery of reduced and/or sub-par services to productions and businesses wishing to locate in the region; and

WHEREAS, the lack of a centralized, dedicated servicing entity to handle incoming productions or business queries also represents a significant impediment to growth in these areas and also a vulnerability to the local program in an increasingly competitive global production environment; and

WHEREAS, the Contractor has an extensive professional background in film/television production and finance, government operations at the local, state and federal levels, and designed and oversaw the expansion of New Mexico's production finance incentives which grew the industry into a multi-billion dollar enterprise in the state over his ten-year tenure with the program; and

WHEREAS, it is a "best practice" in virtually every region of significant production activity throughout the world to create a centralized film office; and

WHEREAS, a centralized film office is necessary in order to: maximize revenue, job growth and other benefits to the local economy and government; develop and implement a strategic plan for growth in these and related areas; and represent the interests of the local government before state, national and international legislative bodies and professional forums; and,

WHEREAS, it is desirable to administratively house a centralized film office at the County, which would service the general Santa Fe region as a whole; and

WHEREAS, the County requires the services of the Contractor and the Contractor is willing to provide these services and both parties wish to enter into this Agreement.

NOW, THEREFORE, it is agreed between the parties:

1. SCOPE OF WORK

The Contractor shall provide, without limitation, the following services.

 - d. Incentives – develop listing of potential incentives or credits that may exist to include the criteria necessary to qualify for.
 - e. Promotions – develop listing of sites within the Santa Fe region that have been part of productions and implement a recognition and or promotion program for each.
 - f. Festivals – develop curriculum of film festivals, readings, and meetings for the general public, to include a listing of local film schools and organizations.
 - g. Explore other potential applications of film and digital media technologies for entertainment and non-entertainment purposes of economic development and general services delivery.

2. ADDITIONAL SERVICES

A. The parties agree that all tasks set forth in Section 1 (Scope of Work), of this Agreement shall be completed in full, to the satisfaction of the County, in accordance with professional standards and for the amount set forth in Section 3 (Compensation, Invoicing and Set-off), of this Agreement, and for no other cost, amount, fee or expense.

B. The County may from time to time request changes in the scope of work to be performed hereunder. Such changes, including any increase or decrease in the amount of the Contractor's compensation, which are mutually agreed upon by and between the County and the Contractor, shall be incorporated in a written amendment to this Agreement.

3. COMPENSATION, INVOICING AND SET-OFF

A. In consideration of its obligations under this Agreement the Contractor shall be compensated as follows:

- 1) County shall pay to the Contractor in full payment for services satisfactorily performed.
- 2) The total amount payable to the Contractor under this Agreement shall not exceed twenty thousand dollars (\$20,000.00) exclusive of New Mexico gross receipts tax.
- 3) This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. The County will notify the Contractor when the services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Agreement being amended in writing.

B. The Contractor shall submit a written request for payment to the County when payment is due under this Agreement. Upon the County's receipt of the written request, the County shall issue a written certification of complete or partial acceptance or rejection of the deliverables for which payment is sought.

- 1) The County's representative for certification of acceptance or rejection of contractual items and services shall be Tony Flores, Deputy County Manager, PO Box 276, Santa Fe, New Mexico 87504, or such other individual as may be designated in the absence of the County representative.
- 2) The Contractor acknowledges and agrees that the County may not make any payment hereunder unless and until it has issued a written certification accepting the contractual services or deliverables.

- 3) Within 30 days of the issuance of a written certification accepting the services or deliverables, the County shall tender payment for the accepted items or services. In the event the County fails to tender payment within 30 days of the written certification accepting the items or services, the County shall pay late payment charges of one and one-half percent (1.5%) per month, until the amount due is paid in full.

C. In the event the Contractor breaches this Agreement, the County may, without penalty, withhold any payments due the Contractor for the purpose of set-off until such time as the County determines the exact amount of damages it suffered as a result of the breach.

D. Payment under this Agreement shall not foreclose the right of the County to recover excessive or illegal payment.

4. EFFECTIVE DATE AND TERM

This Agreement shall, upon due execution by all parties, become effective as of the date first written above and shall terminate July 15, 2016, unless earlier terminated pursuant to Section 5 (Termination) or Section 6 (Appropriations and Authorizations). The County has the option to extend the term of this Agreement in six-month increments not to exceed four years in total.

5. TERMINATION

A. Termination of Agreement for Cause. Either party may terminate the Agreement based upon any material breach of this Agreement by the other party. The non-breaching party shall give the breaching party written notice of termination specifying the grounds for the termination. The termination shall be effective 30 days from the breaching party's receipt of the notice of termination, during which time the breaching party shall have the right to cure the breach. If, however, the breach cannot with due diligence be cured within 30 days, the breaching party shall have a reasonable time to cure the breach, provided that, within 30 days of its receipt of the written notice of termination, the breaching party began to cure the breach and advised the non-breaching party in writing that it intended to cure.

B. Termination for Convenience of the County. The County may, in its discretion, terminate this Agreement at any time for any reason by giving the Contractor written notice of termination. The notice shall specify the effective date of termination, which shall not be less than 15 days from the Contractor's receipt of the notice. The County shall pay the Contractor for acceptable work, determined in accordance with the specifications and standards set forth in this Agreement, performed before the effective date of termination but shall not be liable for any work performed after the effective date of termination.
