

**MEMORANDUM OF AGREEMENT
WITH SANTA FE PUBLIC SCHOOLS/ ADELANTE PROGRAM FOR THE
ACCOUNTABLE HEALTH COMMUNITY NAVIGATION INITIATIVE**

THIS AGREEMENT is made and entered into on this 16th day of June, 2017, by and between **Santa Fe County** (hereinafter referred to as the "County"), a New Mexico political subdivision, and **Santa Fe Public Schools/Adelante Program** (hereinafter referred to as the 'Contractor').

WHEREAS, the Santa Fe County Community Services Department (CSD) has implemented a program called the Accountable Health Community Navigation Services Initiative; and

WHEREAS, the purpose of the Navigation Services Initiative is to provide funding assistance to organizations who provide services to individuals or clients who are in high-risk or high-need populations due to social determinants that have influenced a person's health and well-being; and

WHEREAS, social determinants of health are the conditions in the environment in which an individual is born, grows up, works, plays and ages which affect the individual's health, well-being and quality of life. Increased access to resources and community services that address social determinants of health will improve health for high-risk or high-need populations in the County and reduce healthcare costs; and

WHEREAS, the Navigation Services Initiative will help residents and citizens to navigate available community services and clinical care and will offer providers access to data and information to better serve the health needs of residents and clients; and

WHEREAS, CSD issued Notice of Funding (NOFA) No. 2017-0319-CSD/DD to solicit proposals or offers to implement Navigation Services as part of the County's Accountable Health Community Initiative; and

WHEREAS, the Contractor's proposal to implement Navigation Services was evaluated and the Contractor was selected to be a recipient of available funding; and

WHEREAS, the County requires the Contractor's services, the Contractor is willing to provide the Navigation Services, and both parties wish to enter into this Agreement.

NOW THEREFORE, in consideration of the premises and mutual obligations herein, the parties hereto do mutually agree as follows:

2. Ensure navigator is experienced and qualified and engages in continued educational opportunities on an annual basis to increase professional qualifications.
3. Assure navigator participation in facilitated trainings offered by CSD.
4. Assess clients' social needs, including safe and secure housing, nutritional food, reliable utilities and transportation, and access to health insurance. 5. Deliver navigation services tailored to the individual's priorities that are culturally relevant and based on a team approach of service delivery that documents cross-agency collaboration.
6. Develop a primary navigation plan with the individual that sets appropriate goals, such as addressing safe and secure housing, food, utilities and transportation, health system enrollment, access and navigation, education and literacy, preventive care and treatment, chronic disease management, and effective social and community referrals.
7. Identify community and social resources tailored to the individual's needs and develop and facilitate a network/team to address priorities of the navigation plan, develop sustainable relationships with community resources, and provide and document a "warm hand-off." Referrals will be considered complete if a sustained relationship has been verified by the individual and service provider and documented by the navigator.
8. Using an agreed-upon IT system to be determined by the County, provide CSD with quarterly data on social determinants of health, demographics, and ER and jail utilization of clients served.
9. Share aggregate and non-medical client data with other Santa Fe County-funded partners and CSD.
10. Using a web-based resource site to be determined by the County, post the organization's community education, outreach and training events on a community calendar, and register and update organization information as

needed.

11. Assure that all navigators receive training on HIPAA standards and adhere to all HIPAA policies and requirements.
12. Participate in Accountable Health Community activities, including attending director-level stakeholder meetings (as well as membership on the Accountable Health Community Advisory Committee, if asked); navigator and client participation in work groups as needed to support collaboration and provider alignment; and participation in public awareness, outreach and communication regarding activities of the Accountable Health Community.

14. Survey individuals served annually to assess their continued engagement with needed resources and satisfaction with navigation services.
15. Ensure clients served meet the eligibility for the Santa Fe County Health Care Assistance Program as defined by Santa Fe County Resolution No. 2014-47.

The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached.
