

THIS CLOGGED MACHINE **CAN'T** SORT RECYCLABLES

Don't put **tanglers** in your mixed recycling!

Wait, what's a **tangler**?

Tanglers are stringy things like rope & cord that tangle up in recycling sorting machines.

Plastic bags & films are **tanglers**.

we know how to **RECYCLE RIGHT**

A joint message from Santa Fe City & County
Our recycling goes to the same place!

Tanglers in our mixed recycling:

Shut down the recycling plants, so they can be removed from machinery

Damage machines

Waste tax dollars

Waste time
