SECTION VII ORGANIZATION BUDGETS

ADMINISTRATIVE SERVICES DEPARTMENT

Administrative Services Administration

102 Grant Avenue Santa Fe, NM 87501 (505)992-6747

The mission of the Administrative Services Department (ASD) is to provide key administrative support services to all County departments, divisions and elected offices to assist them with providing responsive service to the public and the citizens of Santa Fe County.

Information Technology Division (IT)

142 West Palace Avenue, 3rd Floor Santa Fe, NM 87501 (505)490-2239

Purchasing Division

142 West Palace Avenue, 2nd Floor Santa Fe, NM 87501 (505)986-6375

Each department, division and elected office in Santa Fe County relies on technology to assist them in their mission. The computer networks and telephone systems are critical to providing service to the public as well as internally within the County. The IT Division maintains the computer networks and other technology systems which includes installations, configuration, back-up and maintenance of the systems as well as developing ways to streamline processes for all County offices.

The Purchasing Division has its finger on the pulse of every department, division and elected office as well. Any County purchase will be handled by the Purchasing Division from a pen to a multi-million dollar construction project. The Purchasing Division is responsible for ensuring compliance with State law and County ordinance with respect to the purchase of goods and services for the County. This includes drafting requests for proposals, invitations for bid, and other purchasing documents as well as generating purchase orders.

Risk & Safety Division

949 West Alameda Santa Fe, NM 87501 (505)992-9885

Risk & Safety Division works closely with insurers to find ways to reduce the cost of insurance premiums for Santa Fe County. The Division works with insurer's to develop programs that will minimize the risk of loss, and minimize risk to the health and safety of staff and the public and to property owned or operated by the County. The Risk & Safety Division also works with insurer's to investigate workers' compensation claims, and files all loss claims with the appropriate claims offices. The Safety staff conducts safety audits and works closely with the Fire Department to develop emergency response and evacuation plans for each County building and runs emergency evacuation drills to ensure staff readiness for emergency situations.
