GROWTH MANAGEMENT DEPARTMENT (GMD)

The primary goal of the Growth Management Department is to guide future growth and development within Santa Fe County through effective planning, zoning, permitting and enforcement. This is key to making meaningful choices in terms of alternative living environments and life styles, preserving resources for future generations, and to addressing the needs and concerns of the citizens while ensuring their quality of life.

Planning Division

102 Grant Avenue, 1st Floor Santa Fe, NM 87501 (505)986-6225

The Planning Division plans and implements strategies for managing growth within Santa Fe County to ensure sustainability of resources and to ensure that the development of infrastructure keeps pace with the development of residences and businesses while retaining the highest quality of life possible. The development of the Sustainable Growth Management Plan and corresponding Sustainable Land Development Code is a primary function of this Division.

ORGANIZATION BUDGETS GROWTH MANAGEMENT DEPARTMENT (GMD)

Building and Development Division

102 Grant Avenue, 2nd Floor Santa Fe, NM 87501 (505)986-6225

The Building and Development Division works with the Planning Division and the public to provide permitting and development review services for construction projects in Santa Fe County. The Division provides such other services as zoning, subdivisions, lot splits, business registrations, code enforcement, hydrology, terrain management, special-use permits, and utility allocation to County citizens. The Code Enforcement component of the Building and Development Division patrols and responds to complaints of violations of County ordinances pertaining to land use as well as illegal construction or dumping activities.

Geographic Information Systems (GIS) Office 102 Grant Avenue, 1st Floor Santa Fe, NM 87501 (505)995-2732

The GIS Office provides high quality maps and geographic data as well as custom analysis for environmental and other decision making uses for County departments and elected offices as well as the general public. Mapping services include custom federal, state, pueblo, city, school, commercial and private maps. The Office also works with the Office of the County Assessor to ensure accurate mapping for purposes of computer aided mass appraisal (CAMA) thus assuring that most accurate and fair property assessments possible. The GIS Office also maintains on-line services for non-County users to access mapping and geographic information on a "24/7" basis. In addition to mapping the GIS Office is responsible for maintaining address data for the emergency 911 system which enhances the public safety by ensuring address can be located in the event of a call for service.

Affordable Housing Program 102 Grant Avenue, 2nd Floor

102 Grant Avenue, 2nd Floor Santa Fe, NM 87501 (505)992-3055

The Affordable Housing Program provides increased affordable housing opportunities to working families living in Santa Fe County. A broad range of residents is served in a broad range of income levels through various assistance options. The Affordable Housing Program has a downpayment assistance program which can provide up to \$20,000 towards the downpayment and purchase of a home and also has a foreclosure prevention program for families that have previously purchased affordable homes through the program. The Program also partners with local area non-profits to provide additional services for clients not meeting County income criteria.

Regional Planning Authority (RPA)

102 Grant Avenue, 1st Floor Santa Fe, NM 87501 (505)995-2717

The goal of the RPA is to develop a Regional City-County Planning Authority Land Use Plan for the five mile area around the City. The RPA will also develop a land use map to accompany the RPA Land Use Plan that will allow for recommendations to be made on land uses for the City and County in the five-mile area around the City.

The Regional Planning Authority has been scaled back and its continuance is to be determined during FY 2013 thus no long or short-term goals were established pending disposition of the function.

Regional Transit District (NCRTD) Pass-Through

The Regional Transit Gross Receipts Tax was enacted to provide support for the North Central Regional Transit District (NCRTD). The taxes received by the County are "passed-through" directly to the NCRTD to be used to develop, plan, promote and operate a sustainable, long term regional public transportation system for its member jurisdictions. Since 100% of funds received in this fund are passed-through to the NCRTD function, accomplishment or goal setting information is provided.
